The Committee is empowered to act in accordance with Little League Official Regulations and Playing Rules and any rules imposed by the local league. 1. There will be no pre-game agreement by managers/coaches to modify any of these rules without prior approval from the Interleague Committee.
2. **Ground Rules:** Each League will provide ground rules for each field. It will be the manager's responsibility to review the ground rules with the umpires at the plate meeting
3. **Field Prep:** The Home Team will be responsible for field preparation fifteen (15) minutes prior to the start of the warm-up period and no later than 35 minutes prior to the start of the game. Host league will allow access to the equipment for field prep and game equipment. It is the responsibility of both teams to clean out their respective dugouts and bleacher areas for trash.
4. **Game Balls:** Home team will provide a minimum of 3 **new** game balls per game, as well as all additional balls.
5. **Scorebook & Pitch Count:** The Home Team will keep the official scorebook. The visiting team will provide the official pitch count recorder. 6. **Pitch Tracking: Each manager will be required and be responsible for maintaining an official Little League Baseball Pitcher Eligibility Tracking Form (attached) for each game.** This form must be signed off at the end of each game by the official scorekeeper. All managers are required to bring the Pitch Count Tracking forms to all games and provide the form at the plate meeting if requested by a manager or umpire. The Pitcher Eligibility Tracking Form will act as the team's pitching affidavit and must be presented at the plate meeting, if requested, to verify ineligible pitchers. **Failure to provide the form will result in a protest and subsequent report being sent to the IDC.**
7. **Field Status:** The managers of both teams shall agree on the fitness of the playing field before the start of the game. If the two managers cannot agree, the umpires shall make the final determination.

8. **Umpires:** Home team will provide game umpires. Umpires are required to be present at the field and in uniform at least fifteen (15) minutes prior to scheduled game time and are authorized to supervise and enforce all rules of the Inter-League Agreement. Plate umpire may stand behind the pitcher.
9. Games may be started with **8 players**. No out for the 9th batter missing. If a game is started with 9 players and one player is lost, an out will be charged when the missing player's spot is passed in the lineup.
10. **Infield warm-ups** are limited to fifteen (15) minutes per team, time permitting. The visiting team will begin their infield thirty-five (35) minutes prior to the start of the scheduled game time. The home team will take infield twenty (20) minutes prior to the scheduled game time. The home team will move off the field five (5) minutes prior to the start of the game.

17. **Rainouts** and games that need to be continued from a previous date will be rescheduled within 72 hours, *by both managers*, and played no later than 14 days after the originally scheduled game.
