

SNACK SHACK VOLUNTEER

First and foremost, THANK YOU for volunteering your time! We are a volunteer league and ALL NCLL positions are volunteer positions, from Board positions, to Managers, to Coaches, to Parent volunteers. We are in this together. We ALL want to watch our kids play baseball, but money needs to be raised. Sign-up fees are not nearly enough. We need to support each other. On that note, the Snack Shack raises money for EVERYONE'S kids, for helmets, bats, balls, chalk, grass, rents of fields/buildings, electricity and water bills, insurance, paper goods, clinics, maintenance and upkeep, etc. Therefore, theft of any kind **WILL NOT** be tolerated. Please report any abuse to the volunteer coordinator.

1. **Parent and Approved Hired Teen Volunteers you will receive 1 complimentary beverage per shift.** If you work more than 1 shift consecutively you will also receive a complimentary meal. PLEASE DO NOT FEED YOUR FAMILY AND FRIENDS FOR FREE.
2. **Umpires receive 1 Complimentary Drink & 1 Food item per game umpired, either before or after their umpired game.** Please complete the "Umpire" voucher and attach it to your volunteer log
3. **ONLY Snack Shack volunteers are to be inside the Snack Shack.** Board members as well as the SS coordinator, Nicole Van Matre, may check in on things from time to time for quality control, inventory purposes and to answer questions. **NO ONE ELSE is to be in the snack shack.** Team Managers/Coaches may enter at the beginning of their game to collect their game balls, fill water jugs and get cups. Please No Children, No Visitors, No friends, No family, and certainly NO PETS.
4. **Arrival Time: There is a lot of prep & set up to be done before opening the snack shack. Opening and closing procedures are posted on the fridge. After your shift please wait until your replacement has arrived and you have debriefed them on your position before you leave. This helps for a smooth transition.**
 - 4.1. **Mon. - Fri. PM Game Opening:** please arrive 45 minutes prior the start of your game to begin set up and food prep. Please open the snack shack for business 15min prior to start of game time and be ready for customers.
 - 4.2. **Sat. AM Game Opening:** please arrive 30 minutes prior to the start of your game to begin set up and food prep. Please open the snack shack for business 15min prior to start of game time and be ready for customers.
 - 4.3. **All Proceeding Games:** please arrive & check in 15 minutes prior to your game time to help ensure a smooth transition. After your shift, please wait until your replacement has arrived and you have debriefed them on your position before you leave.

PLEASE NOTE: If you have a conflict and can not make your shift on time or should you need to leave your shift early for what ever reason, YOU must notify your Team parent and make necessary arrangements to have your team parent or another NCLL parent or adult relative cover the remainder of your shift. We ask this out of courtesy to your fellow volunteers and appreciate your cooperation & understanding.

6. Transition:

-It is VERY helpful & grately appreciated if you are able to stay for a few minutes after your game to make sure that things are stocked and caught up for the next game, especially if it has been very busy. Please make sure there is ice in the back of the Pepsi Soda Fountain, fresh coffee, sliced veggies, enough baked potatoes, and most importantly, time to transition to a new cash register.

7. Last, but not least, PLEASE, if you have any question or concerns in regards to your snack shack volunteer shift please ask your team mom for assistance. If you Team mom can not be reached and you need further assistance please contact the Volunteer Coordinator Tana Chicarelli. If you have questions in regards to the Snack Shack itself please call and/or text the Snack Shack Coordinator Nicole Van Matre (530)263-3869
